TODAY

President Jeff Nickell outlined his approach for the coming year. Key is having all members complete and return the survey that he sent recently. Jeff and the board need to know what you wish to see and do over the coming months.

"Unite for Good" is Rotary's theme this year, and President Jeff noted how we can unite for good by furthering Rotary's seven areas of focus, and doing so around the world, as well as here at home.

1953

1953's July 17 *Rotogram* featured member wedding anniversaries. Among the five members who had anniversaries in July, there were two who some current Rotarians may remember.

Leon & Happy Pellissier, married, July 17, 1922, and Frank & Suzie Louise Pellissier, wed July 17, 1923. Did the Pellissiers deem July 17 a good luck day?

Also in good news, Wilbur Cox returned home after a stint in Whittier's Murphy Memorial Hospital (Now Murphy Hill).
