Monica Peters, Whittier Rotarian, Former President, and District 5320 Governor-Elect, was honored earlier this month with a Paul Harris Plus 5 pin for her generous donations to The Rotary Foundation. Paul Harris founded Rotary in 1905 in Chicago, and Monica hails from Illinois.

Way to go Monica. We are so proud of you.

Monica also downed her work clothes today at First Day filling hygiene kits

NO TRICKS

for individuals experiencing homelessness.

Rotarians **Marci Ellison** and **Rudy Garcia** organized the hands-on project to fill 100 hygiene kits with gloves, socks, soap, toothbrushes, wipes, and more.

Rotarians Jim Ellison, Dennis Sargent, Jeromy Furguiele, Owen Newcomer, and Jeff Nickell added their hands to getting the kits ready in record time.

Our Halloween meeting was a rewarding work project. All Treats, No Tricks.
