QUARTERMANIA 2025

Fun abounded and great shopping stimulated the local economy last night.

QUARTERMANIA rocked the DoubleTree Hotel with MC Rudy Hernandez, Club President Jeff Nickell and Ring-Master Rett Rasmussen guiding the celebration.

About 30 prizes were won by paddle waving, and quarter tossing, celebrants. To win, you pitched 4 to 8 quarters into a basket in the middle of your table and then held your paddle

number high. If your number was plucked from the bingo-like spinner, you won the prize donated by one of our 18 local vendors, everything from sweet goodies to art to jewelry and purses to a Shohei Ohtani jersey to a portable grill.

QUARTERMANIA is our club's big fundraiser for 2025. It will fund our 2026 Community & Youth Awards. Last month we gave away \$24,000 to local non-profits that enhance Whittier.

Make plans to join in next year's fun.
