CRAIG LIVINGSTON

Our Rotary District Governor Livingston spoke to a full house today. From the Brea Club, Craig's first Rotary activity was a breakfast for those in hunger.

Conditioning as an Iron Man since 1989 has well prepared Criag for the rigors of Rotary leadership. His goals this year are Ending Polio, gaining Membership, and promoting Peace.

Among the new and exciting events is a multi-district conference in San Diego at the Gaylord Pacific Resort.

RUDY GARCIA

New Whittier Rotarian **Rudy Garcia** was honored to be inducted by District Governor Craig.

Rudy is a proud family man, and his wife & he have a wonderful 17-month-old daughter.

When not changing diapers, or picking up after their two German Shepards, one bird, and a snake, he is the Program Director at Whittier's First Day. Helping homeless individuals and at-risk individuals and families transition toward self-sufficiency is his mission and that of First Day.
