AUGUST 1

Conal McNamara, Whittier City Manager, was Rotary's guest on August 1.

Mr. McNamara updated the club on exciting projects in the city, including the new, free, electric "Whittier Cruiser" shuttle service in Uptown.

Conal is known to many of us from his time as a city project manager before leaving to become the City Manager in La Palma. Happily, he returned to us in May of this year.

AUGUST 14

Tonight, President Jeff hosted a delightful first: our first evening dinner meeting.

Members congregated at the familiar Roadhouse Grill for dinner and a program that focused on making our upcoming Quartermania a profitable fundraiser.

Key to success is getting every club member to attend and bring a guest or 2 or more. It will be an exciting evening at the DoubleTree on November 13.

Sponsors are also vital and needed now!

DID YOU KNOW?

Rotarians of Summit County, Colorado, and partners just served their 200,000th free meal since 2008 to locals in need.
