## TODAY

Brenda Olivas, Community Development Manager at SPIRITT Family Services, impressed us with all the good they do.

Last year, SPIRITT served more than 4,000 families, and more than 12,000 individuals.

Child and family well-being and behavioral health services are the two focuses in the Whittier area.

Outpatient mental health and substance use disorders comprise the core of APIRITT's assistance.

## 62 YEARS AGO

Whittier Rotarian of the Week in the Jan 18, 1963's *Rotagram* was Aubrey "Bonny" Bonham, Professor of Physical Education at Whittier College.
