## Edwards Middle School Music Room

## ADOPT A CLASSROOM

President Laila Sanchez' "Adopt A Classroom" initiative got off to a wonderful start on February 20, when Rotarians, friends of Rotarians, music teacher Mandy Fey, Edwards Middle School Principal Tiffany Tagle and parents of music students pitched in to build two mobile clothes hangers for band uniforms and four enclosed shelves for musical instrument storage.

Whittier Rotarians Monica Peters, Jeff Nickell, Rett Rasmussen, Owen Newcomer, Dennis Sargent, Laila

Sanchez and Irene Rasmussen are pictured with Music Teacher Mandy Fey and student thank-you signs.

At our lunch meeting today, members joyfully recounted the scraped fingers, more than one redo to get the music instrument shelves right, and the many debates over whether we should read the instructions.

"Adopt a Classroom" was a rewarding and entertaining evening, and it generated ideas for our next project.
