Wellness Walk, Uptown
Whittier's Central Park,
Be There or Be Square**

Thursday, May 8, 6 pm
Social, Locale TBD

Friday, May 16, 12:10
Original Roadhouse Grill

RECENT

Butterflies are disappearing. Rotary and Katherine Edwards Middle School wanted to do something, and we partnered to create a home for butterflies in the school yard.

25 eager sets of hands made quick work on Saturday, March 12. By noon, the garden was open for lunch . . . if you were a butterfly.

Led by Monica Peters, Whittier Rotary has planted butterfly gardens at four local schools.

LONG AGO

May 2, 1952's *Rotagram* praised the recent Rotary District Conference in Palm Springs.

Nineteen Whittier Rotarians joined more than 2,500 in the desert. Highlights included lunch at the Tennis Club, dinners at the Thunderbird and Shadow Mountain clubs, and top-notch entertainment. Harold Spencer and Harold Fish will be tantalizing club members with details--and make those who missed it, sorry.

For Rotary trivia buffs, our district number was 162 in those days.

BIRTHDAYS

Gina Lopez, May 23

Monica Peters, June 4

Trini Urtiz, June 7

Bruce Lindsay, June 8

Laila Sanchez, June 14

Joe Baima, July 2
