## TODAY

Chris Skorina, Rotary District 5320 Governor, shared his story of how he became a Rotarian and what it has meant to him. Chris encouraged each of us to be a “storyteller”—to share our Rotary Story with friends, co-workers and acquaintances. Then, invite them to a Rotary event.

President Laila Sanchez thanked Chris for fulfilling the Rotary theme of “Magic of Rotary.” Rotary’s magic lies in improving lives. Our local focus is mental health awareness and access.

## 91 YEARS AGO

1933 July 26 *Rotagram* featured the upcoming Demotion-Installation Banquet at the Women’s Club House.

Cost was \$1 per person, with club members automatically charged for two attendees.

Dress was “semi-formal sport to informal” due to the hot weather.

Social kicks off at 6:30 pm, and “we will put our knees under the table at 7 o’clock and from then on there’ll be fun so *hold your hat!*”
