TONIGHT

Rodeo 72, Whittier's newest food court, hosted Rotary's Social. Fifteen food vendors and a full bar outlet offered choices galore.

Although only open for a week, it seemed that most of Whittier was there tonight. If you like Disneyland lines, you'll love Rodeo 72.

The hearty group of Rotarians enjoyed learning the joys of traveling in China and the thrill of 12volt drills. Our All-Star Classic generated excitement.

SATURDAY PAST

Rotary's Walk for Mental Wellness was celebrated by those who volunteered, walked or showed up to say, "Thank You." Folks stepped off from Central Park in a light rain on Saturday, May 3. The 5K route stopped at many Whittier film sites. From Whittier High in "Back to the Future" to Uptown's Monte's Camera in "The Fablemans".

Thank you especially to Monica Peters for heading the cause. Funds raised go to local non-profits that strengthen the mental health of young and old in our community.

DID YOU KNOW?

Rotarians of Hamilton, Bermuda, and Girl Scouts joined to restore mangroves along Baily's Bay.
