## TODAY

Peggy Schaefer, Director of "The ImPerfect Place", leads a team that helps individuals with autism to communicate through alternative techniques.

Her non-profit hosts summer programs that feature a 3-1 attendee-staff ratio. Also, home-schooled students receive instruction tailored to their needs.

Peggy has a music, French Horn, background, and has put her love of music to use aiding those with autism.

## LONG AGO

1928 May 23's *Rotogram* focused on a big, joint meeting at the William Penn Hotel—dinner cost \$1.00 per person.

Participating in the fun were the Whittier Chamber of Commerce, Kiwanis, Progress, Lions, Forum, and Rotary. Unfortunately, limited seating meant that "Rotary Anns" were not invited.

"A showing of the Stoody Welding Company's special feature film 'THREE HARD FACES' and...community singing by all the clubs present" added to the fun.

## DID YOU KNOW?

Rotarians of District 5340, San Diego, placed American flags next to headstones at Miramar National Cemetery.
