## TODAY

Jeff Nickell, incoming President, regaled members with inspiring stories from the Rotary International Convention in Calgary, Canada, where 15,000 Rotarians geared up to fulfill Rotary's new theme of "Unite for Good." Particularly memorable were sessions on Rotary's drives to "End Polio Now" and to endow a permanent Rotary Foundation fund with \$2 billion.

Still, there was time for Jeff and Cynthia to enjoy bicycling around the town known for the Calgary Stampede.

## BACK THEN

The end of the year *Rotogram* for 1963 highlighted Nels Geertsen as "Rotarian of the Week."

Nels' career took many turns: starting as a cosmetologist in Nebraska; becoming a printer; and then, a maker of false teeth.

Upon landing in California, Mr. Geertsen earned his real estate license. In his spare time, Nels attended five local colleges studying art, music and photography. Nels was president of the Tri-Counties Photographers' Association.

## DID YOU KNOW?

Rotarians of Taipei, Taiwan, combined the environment with team building on an outing to the Alibang Eco Farm.
