## TODAY

Vice President/President Elect Sierra Roberts hosted a club assembly that generated ideas for Rotary 2026.

Mental Health Walk, All-Star Baseball and Softball Games, and Quartermania were key to the discussion. All are fun, all raise money, and all can be enhanced for next year.

Rotary's Potluck Holiday Party is December 15. Get your RSVPs into Jeromy Furguele. Once we know the number, the potluck list will be sent out.

## BACK WHEN

1952's December 5 *Rotogram* featured "our Visa student and the District #162 student", Caio Caffé.

Caio spoke to Whittier Rotarians about his home country of Brazil and the Rotary International Service Committee that sponsors exchange students.

Do any of you know more about the Rotary Visa program? I assume that a Brazilian Rotary Club, our District, and our club help fund Caio's studies in America, but it would be nice to know for sure.
