TODAY

Monica Peters, Rotary District 5320 Governor-Elect, returned from five inspiring days at the RI Assembly in Orlando toting gifts for all. She rubbed elbows with more than 800 other DGs-elect from around the globe.

Rotarian Rudy Garcia shared his Whittier Homeless Count experience from a few days ago. Teams of three - a driver, a navigator, and a counter - covered every street in a section. He highly recommends you consider volunteering next January.

100+ YEARS AGO

1924's January 24 *Rotogram* focused on what it means to be a Rotarian. "Who Prospers? Business honor is the foundation of trade. It is the fundamental principle of all successful business transactions."

"...Rotary's most lasting contribution to the world will be found in a service to business—service in extending co-operation and good-fellowship...."

Since 1924, Rotary has broadened its reach, while maintaining its focus on honor, goodwill and service.
