Marci Ellison received her Paul Harris Fellow pin and certificate today from President Jeff Nickell. A Paul Harris Fellow is one who has contributed \$1,000 to Rotary. Marci's focus within Rotary is Ending Polio, and she is a polio survivor.

January is Vocational Service Month, that highlights four points: The Four Way Test; dignity in all vocations; volunteering one's vocational skills to local projects; and serving society through one's chosen vocation.

1940

1940's January 30 *Rotogram* celebrated the upcoming 35th anniversary of Rotary.

Paul Harris was described as an earnest young man who invited a small group of friends to join him in expounding on the idea of fellowship, goodwill, understanding, and tolerance. That small group had expanded far and wide beyond Chicago and the United States by 1940.

Here in Whittier, the club was expanding with an invitation to Bob Gillmore of Security Pacific Bank to join our ranks.
