### ROTARY SPEECH CONTESTANTS

What an impressive group of students!

**Emily Hernandez** and **Elyana Ocegüera**, California High School; **Nicolas Acero** and **Emma Cerezo**, La Serna High School; **Maggy Guerrero, 1<sup>st</sup>**, and **Sarah Villaruel Magana, 2<sup>nd</sup>**, Whittier High School.

This year's topic was "How might young adults 'unite for good' with not-so-young adults in our community?" As always, the topic is drawn from Rotary International's theme for the year. Students had five minutes to present, and they entertained.

We hope all six students will become Rotarians in the future.

Big thanks to their proud families and to Whittier High Coach Stephanie Krone, La Serna Coach Eric Twisselmann, and California Coach Laurel Moore.

Thanks also to our three judges, who spared we Rotarians from tackling the very tough task of deciding: Martha Carreon, Rio Hondo College Professor; John Beynon, Retired UNESCO school builder; and Mary Ann Pacheco, Whittier City Council Member. The DoubleTree's buffet lunch was enjoyed by all.
