WILL HA

William "Will" Ha became our newest member on February 27. District Governor Elect, and Whittier Rotarian, Monica Peters led the induction, complete with pin, certificate, and four-way-test coin.

Will is a digital-first estate planning lawyer. He graduated from UC Irvine and California Western School of Law.

With wife, Laura, sons, Grey and Ash, they live in a historic Whittier home. Welcome, Will!

102 YEARS AGO

Rotarians Frank Gates, Myron Haig, Wallace Gregg, and Canty Canterbury were called out for missing meetings, and they were given a week to make up the misses by attending other Rotary Club's meetings. They were advised to attend Montebello Rotary's meeting on Wednesday.

I am old enough to remember this now-discontinued practice. When I missed, I would go to another club, Sunrise usually, and get a signed slip attesting that I had attended a Rotary meeting.

DID YOU KNOW?

Rotarians of Montego, Kingston, and Ocho Rios united to assist those devastated by Jamaica's Hurricane Melissa.
