## APRIL 24-26

Rotary's Multi-District Convention kicks off in one week. There is still time to register at: [unitedforgood2026.com](https://unitedforgood2026.com)

Join Rotarians, Rotaractors, and partners in service from across Southern California and Southern Nevada for a weekend of inspiration, collaboration, and hands-on-action at the breathtaking Gaylord Pacific Resort in Chula Vista, California.

Dynamic speakers, skill building, new connections, and much more await.

## THEN

1925's April 17 *Rotogram* urged club members to "think of the most representative lemon grower of your acquaintance who would be an asset to the club and through Rotary to our community, and propose his name?"

Several elements of this request differ from today's standards. We no longer restrict members to one per occupation, nor must members be male. Then, there is the fact that we no longer have lemon groves in Whittier.

## DID YOU KNOW?

Rotarians of Gozo, Malta, saw a burst of interest after they hosted a Pride of Gozo Awards honoring community members.
