Paricia Roberts, publisher and editor of *Living Whittier Hills* magazine, introduced Rotarians to her services. *LWH* has three prongs: monthly print magazine, digital geo-tracker, and online presence so your business can be seen, found, and chosen.

Patricia had over 20 years of experience in community publishing before she launched *LWH* in October of 2025. Among her hints for success was always answering online reviews of your business.

1924

1924's April 24 *Rotogram* highlighted the club's support for a Whittier State School boy undergoing three operations to overcome infantile paralysis. The State School location is now the Groves.

It also reminded members that each of them is responsible for providing "an original article" for the *Rotogram*.

The Education Committee will contact Rotarians, and their members will lead by example by writing an article before they call on others.

DID YOU KNOW?

Rotarians and Rotaractors were aiding families within hours of deadly floods and landslides in Poza Rica, Mexico.
