TODAY

Beer was on our minds today as guest Don Mrla of Whittier Brewing Company fascinated us with the ins and outs of his 12 styles of beer, all brewed on site. Six food courts complement the beer and fill out the first floor of the historical bank building in which Richard Nixon once had his law office.

Don and his wife have two children; both of whom attended local schools. An engineer, Boston Marathon runner, and city commissioner, Don is a proud Whittierite.

THEN

1930's May 1 *Rotogram* invited members to bring guests to the presentation by the County Farm Bureau entitled "The Banker's Tour".

At the time, I guess this was all the info that individuals needed about the event, but today I confess that I have no idea what the connection was between the Farm Bureau and the Banker's Tour.

O. K. Flood and H. J. Perry were also mentioned. These are names that we older Rotarians fondly remember.

DID YOU KNOW?

Rotarians of Kelowna, British Columbia, Canada, placed 220 crosses on graves for Remembrance Day.
