JUNGLEMANIA FAMILY SUPPORT

Jessica Perez, Founder and CEO of Junglemania Family Support, shared how her non-profit helps mothers and fathers faced with postpartum issues.

Jessica experienced depression after her son was born. She sought help, but found that little help was available, and none was easy to access.

Junglemania Family Support helps close this gap. One in three mothers and one in ten fathers experience "Baby Blues".

The number of families that Jessica's team has helped is inspiring.

Speaking of inspiring: DG Roy Jefferson visited our club with a special invitation to the Rotary District Conference at the Long Beach Renaissance Hotel, May 10-12.

Rotarians may attend the whole conference, or Saturday's breakfast with Sylvia Whitlock, first woman Rotarian, or lunch with Alex Montoya, unique Rotary story, or Casino Royale on Saturday night.
