RECENT

Whittier Rotarians joined Rotarians from throughout Rotary District 5320 to raise funds for mental health last Saturday.

Jeff Nickell, Monica Peters, Laila Sanchez, and Laila's friend from the Boys & Girls Club, Monica, put on their walking shoes for the 3K march around Yorba Regional Park in Anaheim on April 27.

Around 250 Rotarians and friends came together to raise awareness and funds for mental health.

LONG AGO

1939 May 3's Whittier Rotary meeting noted that 14 club members had attended the Coronado Rotary Conference, and all behaved well.

Frank Pellissier, Chair of the club's International Service Committee, announced an upcoming club program. Many Pellisiers have been club members over our decades.

A club assembly was announced at the Dinner Bell Ranch: Club officers and committee chairs must attend!
