TODAY

Rev. Dr. William Brunold shared his experiences as a military chaplain in Kuwait in the 1980s, and joined with us in remembering those who never took off their uniforms.

"Our Angels" was the phrase used to honor colleagues who died serving our country, conveying a profound sense of dignity and respect.

Bill invited us on this Memorial Day Weekend to recall the many who sacrificed for our freedom.

61 YEARS AGO

The 1963 May 17 Rotagram recounted the joint meeting with the East Whittier Rotary Club that featured Milo Hefferlin, VP of Bank of America's International Banking Office, touting the benefits of the new European Common Market.

Ralph Peck, father-in-law of our own Joe Baima, was fined (bragging rights) for enjoying a vacation in Hawaii.

Whittier Rotarians turned in 32 makeup attendances at other clubs.
