TODAY

STEPHANIE VALLEJO, Reform Whittier, shared her group's proposals to improve Whittier's government. First, term limits, 12 years, seeks to enable candidates with new ideas to have a better chance of getting elected to the city council. Second, moving the city's elections from April, when only the city council and mayor are on the ballot, to March, when the entire county and state vote, seeks to increase voter turnout.

LONG AGO

1963 May 31 *Rotagram* recounted the fun from Rotary Sports Day at the Hacienda Country Club. Members "plowed up the course" in the afternoon, while evening festivities included dinner, awards and a showing of the 1962 Masters Tournament.

"Trophies were presented to GEORGE DOWNING for low gross, KEN DOUGLASS, for low net, and after a game of chance PAUL SERCU won the trophy for high gross by a draw over RALPH CAYLOR."
