WHITTIER TODAY

Matt Walsh and Tony Salerno wowed club members with their work through Forever Kids.

Forever Kids produces books, music, and videos that promote basic universal values.

One of their projects gives foster children brand-new suitcases with their material. Suitcases are important to foster children because they move so often.

Rotary has teamed with Forever Kids.

WHITTIER THEN

1938 January 19th's Whittier Rotogram touted the upcoming "Father and Sons' Day". The theme was a comic take-off of the "Grunt and Groan Fraternity."

"Members who do not have a guest may be able to pick up one of our Boy Scout Troop in the lobby of the hotel."

What? It was a different time. Don't try this today.

W. J. Benbow of the Whittier Home Roofing Company was proposed for membership.
