ROTARY TODAY - PLAYHOUSE BUILD

Erin Portillo, High School Services Coordinator for the Boys & Girls Club, updated club members on the upcoming, April 27, Playhouse Build.

You could wield a paint brush or a hammer, or both.

This is a program of Habitat for Humanity to promote community relations, while providing playhouses for deserving families and family-serving non-profits.

Youth get experience working on a

project and meeting adults—in this case, Rotarians—who give back to their community.

Let us know if you would like to lend a hand. A free lunch is included. Please respond to this email and let us know if you will join in.

It all takes place on Saturday, April 27, from 9 am to 2:30 pm. Volunteers will meet at the Uptown Whittier Boys & Girls Club on Greenleaf, near La Cuarta, and build three playhouses.
